ORGANIZATIONAL PROFILE

FACT SHEET

BACKGROUND	Princeton College Consulting is an independent college admissions consulting company.
HISTORY	Princeton College Consulting (PCC) was established in 2011 by Peter Tilles.
FOUNDING STORY	Almost fourteen years ago, my interest in college prep ignited when my older daughter started 9th grade. Exploring the various aspects of the process, I was captivated by the intricate connections between different factors. I realized that grasping this complexity could boost a student's chances of admission and help them find the perfect schools for long-term success.
